

Longs Peak Gazette

First Issue – Winter & Spring 2016

Longs Peak President's Letter:

We will be having a very exciting year with our continued rapid growth and new activities, and projects. We will continue our work with Eagle Scouts (including a scholarship program), the Northern Colorado Veteran's Plaza in Ft. Collins, Color Guard activities, and our Patriot Chest Program.

Editor's Note: This is the inaugural issue of our chapter newsletter, called The Longs Peak Gazette in honor of Patriot Benjamin Franklin and his "Pennsylvania Gazette". Our goal is to have two issues a year. We will include SAR, DAR and CAR information from around the state as we receive it. We will post our newsletter on the COSSAR website, and have a number of copies available at meetings. It will also provide valuable information to prospective members.
